

ALBANY RENSSELAER AND COLUMBIA COUNTIES

Scale 1 inch = 2 1/2 miles.
1:153,400.

MILES. KILOMETRES

NOTE.

The land lines are shown by full black lines of different strength, showing the Patents and their subdivisions into Townships, Tracts and Lots. The names of the Patents and the numbers of the lots are in red. Where County or Town lines are coincident with land lines, the former only are shown.
